WEEKLY OFFICE HOURS

About Office Hours:
InfoSec AppSec engineers and architects will be available during weekly Open Office Hours to review requests and answer questions. This is a new process we are adopting in order to provide more streamlined, efficient and organized service to Cisco communities. The Open Office Hours are typically scheduled twice a week. Please refer to our team site Security Pulse with InfoSec EIS AppSec (Official Site) events for upcoming events.

Office Hours are broken up into THREE categories:

- Policy Enforcement Office Hours
- Appsec Enforcement Office Hours
- USM Office Hours
